

Dear Parents, Guardians, and Friends of Montgomery Academy:

Every year the Montgomery Academy Foundation turns to our community to ask for their support the school in providing creative and cutting edge educational resources that inspire, equip, and empower students to succeed.

Each year, the Foundation sponsors mini-grants that enhance the school's curricular offerings and further each student's learning with opportunities inside and outside of the classroom. Your gift helps make it possible for us to offer the highest quality, technology integrated, special education curriculum in the region. Your membership sustains the talented students who study here, recognizes our dedicated and professional staff, and endorses the values central to our mission.

It is important to note that many New Jersey corporations have programs that will match the charitable donations of their employees. Ask your employer if they participate so we can send them a letter of gratitude on behalf of your donation.

Thank you in advance for returning the lower half of this letter with your tax deductible contribution.
